Objective

Software Engineering graduate with 6 months of hands-on internship experience in developing full-stack web applications using Python, Flask, JavaScript, and MySQL. Skilled in REST APIs, Object-Oriented Programming (OOP), Git, and Agile development. Passionate about building scalable software solutions and solving real-world problems.

SKILLS

Programming: Python, Java, JavaScript, SQL

Backend: Flask, REST APIs

Frontend: HTML5, CSS3, Bootstrap, React (Basics)

Database: MySQL

Core Concepts: OOP, Data Structures, DBMS, SDLC, CRUD, Debugging, Agile

Tools: Git, GitHub, VS Code, Postman, Docker (Basics), PgAdmin4

EXPERIENCE

Passion Infotech Pvt. Ltd. (Virtual)

Nov 2025 - Apr 2026

Software Development Intern

- Developed a full-stack Beneficiary Documentation Tool using Python, Flask, HTML5, CSS3, JavaScript, Bootstrap, and MySQL.
- Designed and implemented secure CRUD operations for beneficiary record management.
- Developed RESTful APIs using Flask and integrated them with the frontend.
- Built responsive user interfaces using Bootstrap and JavaScript.
- Connected backend services with MySQL for efficient data storage and retrieval.
- Implemented input validation and basic security measures.
- Participated in development, testing, debugging, and deployment following Agile and SDLC practices.

PROJECTS

Tour & Travel Management System

Feb 2025 - May 2025

Python | HTML5 | CSS3 | JavaScript | MySQL

- Developed a full-stack travel booking application for managing customer bookings.
- Designed a relational MySQL database schema for efficient data storage.
- Implemented secure user authentication and booking workflows.
- Built REST-based backend functionality for smooth communication between frontend and database.

EDUCATION

Master of Computer Applications (MCA)

2024 - 2026

Sri Balaji University, Pune

CGPA: 8.13

Bachelor of Science (Computer Science)

2021 - 2024

Hemchand Yadav University, Durg (C.G.)

Percentage: 70.28%

CERTIFICATIONS

- Python Programming - Coursera
- OpenAI API for Beginners - Coursera
- Java Programming - LinkedIn Learning
- JavaScript - LinkedIn Learning
- HTML & CSS - LinkedIn Learning
- AI Tools & ChatGPT Workshop - be10x

LEADERSHIP & ACTIVITIES

- Academic Coordinator, Second Semester - Sri Balaji University
- Participant - Code Fusion 2k25
- Participant - BHARATHON 2.0
